Dear Pastor Dave Sarsons
and your dear church!

We greet you with the love of our Lord Jesus Christ.

Peace be with you !. Our heartfelt thanks.

We have received from you material blessing in the amount of 2,000 Canadian dollars. This money is now vital for the existence of this house - the Children's Health Center "Ark".

Thank you for being on this earth and you with us. We understand that this is nothing but God's love that pours into our hearts through you. Thank God that does not leave us with our problems. Through you, God will solve our greatest need for wages to employees of the "Ark" so that there is an opportunity to take care of his own children and families. You, dear Church, are our Near, although a great distance separates us. You are for us and will remain the embodiment of God's great love.

Thanks to you and people like you, God gives children a happy childhood, encourages us all. We are together and we are not afraid of anything.

A deep bow to you and words of deep gratitude for everything ...

We pray that God would bless your families and the Church, with His abundance in glory of Jesus Christ.

With gratefulness and respect,
Family of the Children's "Ark".

Director of the Center "Ark",
Liliya Vakulina
