

Answered Prayers!

Please join me in welcoming Freek and Jessie van den Beukel to the position of Camp Managers. They will start their position April 1. I will let Freek introduce his family...

“Hi, our names are Freek (pronounced “Frake”) and Jessie van den Beukel. We have three young sons; Benjamin (5), Reece (3) and Caspar (1).

For both Jessie and I our lives and faith have been enormously impacted by the Christian youth camps that we attended. For me growing up in the Netherlands, I went to various Christian camps and festivals that laid the foundation for my faith, and Jessie has been part of the Pine Lake camps since she was a little girl, both as visitor, councillor and speaker. We met at Bible school in Germany in 2003, and I moved to Calgary in 2005. We’re both artists, and I’m a carpenter by trade.

Being in a position to be able to help make this encounter with God happen for youth today is a huge privilege to us as we see how it shaped our lives, and the lives of many around us. As a family we’re excited to take good care of the camp and the site, and make sure it’s physically in the best shape it can be.”

Prayers are appreciated for this young family as they prepare to take on this responsibility and move to the camp location.
