

January 2020

Hello to each of you and happy New Year! I hope that you have had a blessed Christmas season and that 2020 is off to a good start. It is just a bit chilly isn't it?

January 31 sees the first student graduation of 2020! Please pray for Ian as he completes his year at Teen Challenge. May his time at Teen Challenge have prepared him well to walk in the way of the Lord and know the love and guidance of his Savior Jesus Christ. Please pray for the student who is to come into the space that will become available with Ian's graduation. Your prayers for each student here now, in the past and in the future are valued.

The New Year sees the planning for the year's events begin. There is the Snow Rush on March 7&8, the Edmonton Gala on March 28, the golf tournaments, the Open House here at the Centre, date to be determined, a Freedom Run in August and the Lethbridge Gala in October, which is a first. May the planning for these events go well and be pleasing to God, that He may be the One glorified. We ask that your prayers include praise to God for His faithfulness to provide for the needs of the Centre and thanks to God for each faithful supporter. God is Good!

The construction on the expanded Centre continues. The windows are in as is the insulation. The other day as I was driving up to the Centre I could see the work lights in the windows- very exciting to think, and pray about all who will live here for some time. There is still much work to be done, the financial needs still are great to get the structures to completion and we ask for your prayers that it will continue to proceed in a safe and timely manner and that the finances will come in.

Our prayers for you are of thankfulness and joy that you partner with Teen Challenge AB in prayer. May the Lord bless you and keep you, may His face shine upon you and may He grant you peace.

Til next time,  
Maria
