Dear Prayer Partners,

Snow Mobile Outing: Ambassadors from nations in the European Union and their wives joined us for a fabulous day of snowmobiling. Our hosts served a wonderful meal. Then we were out into a winter wonderland, driving on the fresh snow through the woods. Outings like these develop friendships and have seen ambassadors who normally would not come to one of our outreach events, now become involved. The ambassadors on this outing later attended the Winter Outreach Lunch.

Winter Outreach Luncheon: Thank you for praying for the luncheon. Ambassadors and diplomats from more than fifty nations attended. Forty of them were the top diplomats representing their countries to Canada. We attend many diplomatic events here in Ottawa, and several do not have this high level of turnout from so many nations. Also, nations were present that had not attended our past large events. The speaker, Minister of Education of the Province of Manitoba, spoke about Christ's importance in his life. He also informed us about some of the initiatives his government is working on. Since the event,

numerous ambassadors have thanked us for hosting the luncheon and their appreciation of the Minister's speech. Please pray for us as we have many one on one follow up appointments as a result.

Parliament: We have been able to start our Bible studies. Some of the wives of new Members of Parliament have attended Carol's Thursday morning study. We also have had some of the new MPs attending the Bible study for MPs. Thank you for your prayers as we continue to meet with many of the newly elected MPs, sharing the importance of knowing our Saviour and encouraging them in adjusting to their new responsibilities.

Prayer Requests:

1. For our outreach trip to Ecuador and Colombia – February 28th – March 9th. Four business couples are joining us.
2. For our meetings with ambassadors in Washington, DC – March 17th & 18th. We hope to have some of the ambassadors based there become involved with our ambassador business trips.
3. A number of Members of Parliament, who serve in key positions, have agreed to be involved in Ambassador Round Table lunches at the Parliament. We are now finalizing dates for these.

Thank you for your many prayers and encouragement.

Jerry and Carol
