

77 years and Counting!!! This year has been one of our more challenging years with overnight camps cancelled. Our Summer staff have been hard at work finding ways to interact with our camp families. Each day of the week they prepare online content such as The Camp Catchup, Arts with Emma, Kristy in the Kitchen, The Camp Variety Show, Jammin' with Janessa and Wednesday evening programming for youth with our youth pastors. Watch the Camp@Home here: <https://www.youtube.com/channel/UCGDL0EhRQHrrnl-sLV00mvA>
