

Greetings! Ukraine was one of the first countries in Eastern Europe to go into 'lock-down' mode. For a time, it appeared this strategy had worked. However, over the past month, as the country tried to re-open its economy, COVID cases are spiking again. Please pray for Ukraine; our network of church partners throughout Ukraine and Moldova; our case-workers looking after 1,200 children and their families; and HART's Ukrainian team who are on the ground coordinating all of our efforts.

PLEASE PRAY for Ludmylla and Stasyk. These two young people in Ukraine are very sick, and the prognosis isn't good for either of them. Both the kids and their families have been associated with HART's ministry through local churches for many years. They both need a miracle if they are to survive.

Ludmylla: bone cancer

Pastor Ruslan's 14-year-old daughter was recently diagnosed with an aggressive and very painful form of bone cancer. The family couldn't get adequate medical care because they are Gypsies. However, through the efforts of HART's director in Ukraine (Kostya Voloshyn) and our relationships with compassionate doctors in the city of Lviv, we've been able to secure proper medical treatment for Ludmylla. However, the situation is dire, so please keep Ludmylla in your prayers

Gypsy Pastor Ruslan, Ludmylla, Iryna

Stasyk: kidney failure

This 24-year-old boy, a prolific, talented artist, has suffered from lifelong systemic health issues, which has stunted his growth. Recently, Stasyk's health took a sudden turn for the worse. He now requires kidney dialysis treatments. We know his mother can't afford this, so thanks to people like you, we're providing financial assistance to cover his health-care costs. Please keep Stasyk in your prayers as the doctors are not very optimistic about him surviving much longer.

Access to proper medical care is still cost-prohibitive for most people in Ukraine. Your support of HART's Medical Fund allows us to assist our local church partners in meeting the physical and spiritual needs in their communities.

Thank you for being on our **TEAM!**

Together, we **ARE** changing the world - one heart at a time!

Our MISSION

HART is dedicated to alleviating poverty and injustice in Eastern Europe, by working alongside local churches and ministries, giving them the tools to build a better world for themselves, their communities and their countries.
